OUR LEGACY

Vaidhya Ram Sharan Gupta

Managing Director

As a 16th-generation practitioner, I blend ancient Siddha and Ayurvedic wisdom with modern research at Sairam Herbals. Our goal is simple: to create proprietary, effective, and natural solutions for lasting health. We are committed to sharing this authentic healing legacy with you.

Director's Note

Deepti Gupta

Operations Director

Leading operations at Sairam Herbals is about delivering our Ayurvedic promise to you. We meticulously select the finest herbs and ensure seamless production and delivery. My goal is to guarantee that the ancient healing you expect is crafted with modern quality and care, reaching you reliably, every time.

Goal Orientation

Dr. Yash Raj Gupta

Chief Executive Officer

As an Ayurvedacharya and proud bearer of 17 generations of Ayurvedic wisdom, I lead Sairam Herbals. We blend traditional knowledge with modern research to create proprietary, herbal medicines for skin health and daily wellness. Our mission: make authentic, safe, and natural Ayurvedic healing accessible to all for lasting results.
